Sydney Harbour is recognised as one of the most beautiful waterways in the world. This natural deep water port is fringed by white sandy beaches, quiet coves and has an abundance of wildlife. Sydneysiders take pride in keeping this magnificent harbour clean...clean enough and warm enough to swim in year round. The harbour foreshores display Australians most expensive real estate with many famous Aussies amongst the privileged few. Sydney Harbour is the scene of many wonderful events such as Boxing Day and the start of the Sydney to Hobart yacht race and Australia Day.

You can charter any, or all of our yachts for full or half-day charters to explore the many delights of Sydney Harbour. You can choose a skippered charter where we provide a friendly qualified skipper or a bareboat charter where you take the yacht out yourself – but only if you have the necessary experience. Charters can range from four hours to seven days.
